Primjer nadsvjeta iznad kreveta na kat - mogućnost spuštanja zastora za zamračivanje prema potrebi prilikom spavanja.

TRERON NO. 292 FARROW-BALL.COM

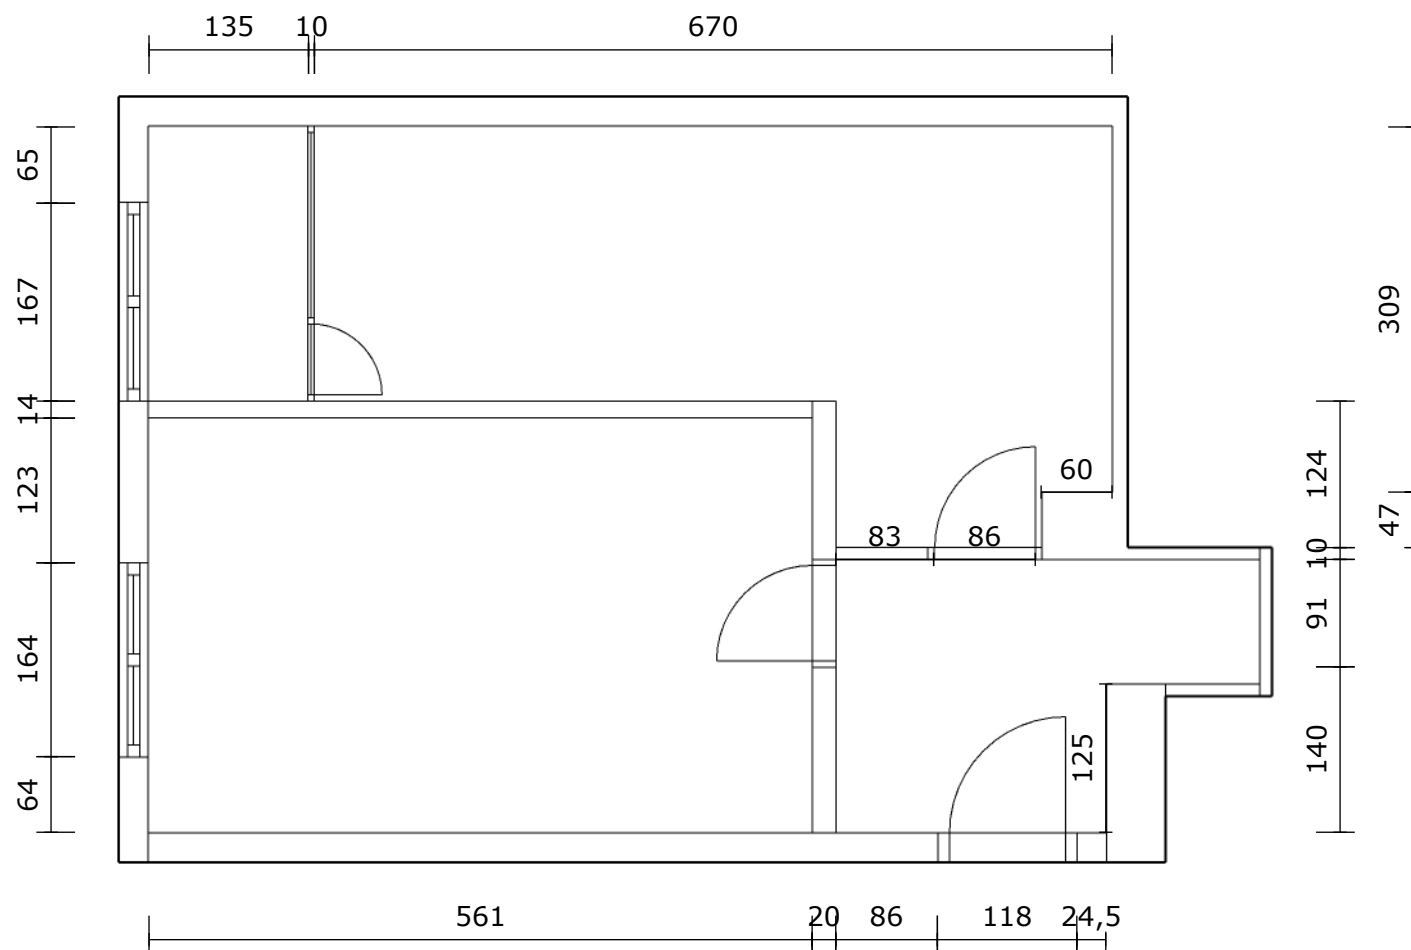

14. The bunk in Aubrey's room has a play area on top and a bed below. "When a piece is built-in, it feels so much more custom and high-end than something that's freestanding," she says.
